Notes:

\* Long-term care insurance premiums are collected from insured persons aged 40-64.

\*Premiums collected from bonuses are calculated by multiplying the premium rate by the bonus amount (rounded down to the nearest 1,000 yen). Premiums collected from bonuses are capped at 5.73 million yen per fiscal year.

\* Since April 1, 2014, premiums may be waived during the period of maternity leave if an application is submitted.
